

SITE WALK

THE BEST INSURANCE POLICY
YOU'LL EVER BUY.

THE WORLD OF WIRELESS CONCEALMENT
GROWS MORE COMPLEX EVERY YEAR
AS CARRIERS LAYER MULTIPLE ANTENNAS IN LIMITED SPACE.

STEALTH HAS MASTERED
THE ART OF THE SITE WALK
ALLOWING WIRELESS PROFESSIONALS
TO CONCEAL WITH CONFIDENCE.

DECADES OF EXPERIENCE SHAPE OUR 4-PART PROCESS

FORM

Every component, including color, texture, and siding, is recorded and translated to estimators, designers, and fabricators.

FIT

Our STEALTH Site Walk experts measure, measure, and measure again to avoid delays later.

FUNCTION

Radio Frequency (RF) transparency is key, but function also means antennas are perfectly placed and protected.

FIELD

Steep mountain forest, blistering desert, busy urban crossroad ... every site demands a unique concealment strategy.

CUSTOMERS WILL RECEIVE 20+ YEARS OF KNOWLEDGE AND EXPERTISE
WITH EVERY WALK.

“Site visits aren't expensive. There's nothing worse than having a crew and crane sitting on a site waiting for a problem to be solved. The STEALTH Site Walk saved us money.”

— Southwestern Region Customer

“We see the STEALTH Site Walk as part of the design process. Ultimately, they save us both time and money.”

— Northeastern Region Customer

“If I don't okay the site walk, and just assume it will work, that's on me. Hiring STEALTH means they take ownership of the end result.”

— Southwestern Region Customer
